I am writing as a concerned Cambridge resident about the resolution to boycott American companies from doing business in Israel. I believe there is a interest group name “ Mass Against HP” that is fighting to get this latter resolution passed.

I think Cambridge residents have a right to know more about this resolution before it is voted on by our City Councilors.

It seems that this boycott is <u>not</u> the way to go.
Please let me and the people of Cambridge know where we can read the overall proposal with pros and cons.

Thank you.
